

Dear Ladies,

Regarding my services and request for dues:

Dues to belong to The Ladies of Victoriana Tea Society is: \$25.00 per person, per year (\$2.08 per person per month) effective February 1st, 2012 for the below listed services. I feel this would be fair and equitable for us all. If you want to be included in the Ladies of Victoriana Roster, please pay your dues by February 1st, 2012.

In order to accomplish my goal of a maintaining a successful Victorian Tea Society requires a lot of innovative, creative, well organized event planning at the most economical price that I can obtain. This takes a lot of time to research, contact, plan, negotiate, take reservations, receive payments and then reconcile each event.

I will provide you a chance to share your love of Victoriana with your friends or relatives. There will be no additional charge for guests (if they attend no more than 3 times). This includes all Holidays.

You will have website access for updated event flyers, recipes and links to everything Victorian and so much more. I would welcome those who want to help by adding a recipe, story, or any type of Tea Trivia. It would be nice to see a new Trivia Page either weekly or bi-weekly.

I will provide each member with a current Roster, and will update it semi-annually. Any new member information will be sent via email or USPS immediately.

The dues will help defray the cost of the website, printed materials, including ink, paper, postage and any other needed costs to have each event special for you. It will also give you the opportunity to purchase wholesale items at a huge savings.

I am a liaison with many quality companies – you might say I am your personal shopper, as I try to accommodate and provide you personal assistance with any of your tea purchasing needs whether it be clothing, hats, gloves, parasols, collars, fine stationary, jewelry and/or tea supplies not to mention great theater tickets at the **very lowest price**. This takes much time to type the order, ensuring that I have the proper item number and price, then I have to add tax and shipping – this all takes a lot of time. I do this because I want you to have the things you enjoy and enhance your Victorian experience.

I am more than glad to provide these services to all of you, as I enjoy them just as much as you do It is a wonderful opportunity for all of us to have fun and save money both individually and as a group.

Your needs and comments are more than welcome. I am here for YOU.

Fondly, *Lucille*
